What is the Portway Lifestyle Centre?

The Portway Lifestyle Centre is a brand new health, wellbeing and leisure centre due to open its doors in 2013.

The project is being run by Sandwell Council, Sandwell Leisure Trust, Sandwell Liftco and Sandwell Primary Care Trust.

The centre will bring social care, health and leisure services together under one roof.

Where will the new centre be?

The Portway Lifestyle centre is being built on the site of Oldbury Leisure Centre, Newbury Lane.

The new centre will provide a wide range of activities for people with and without disabilities, in a state-of-the-art building.

How will the centre meet everyone's needs?

We have worked with a reference group of people who use adult social care services, special interest groups and members of the public throughout the planning stage, to help make the centre a welcoming place for all the community.

What activities and services will there be?

Anyone can use the leisure facilities to improve their health and wellbeing.

Facilities at the new centre will include:

A four-court sports hall, a hydrotherapy pool, gym and weight area, a dance studio, a climbing wall and floodlit five-a-side pitches, and a multipurpose area for bowls, tea dances and other sports.

There will also be a purpose-built GPs' surgery, Tividale Family Practice, a café, and an outdoor sports area.

How much will it cost?

The centre will cost the same to use as other Sandwell Leisure Trust facilities. Concessionary rates will also be available.

What are the opening hours?

The centre will be open every day, except bank holidays and Christmas day.
